CLEANING OF OUTSIDE AND INSIDE LAWNS

(02.11.2016 to 04.11.2016)

We started the programme by cleaning the corners of the outside lawns and started picking wrappers lying scattered in the premises.

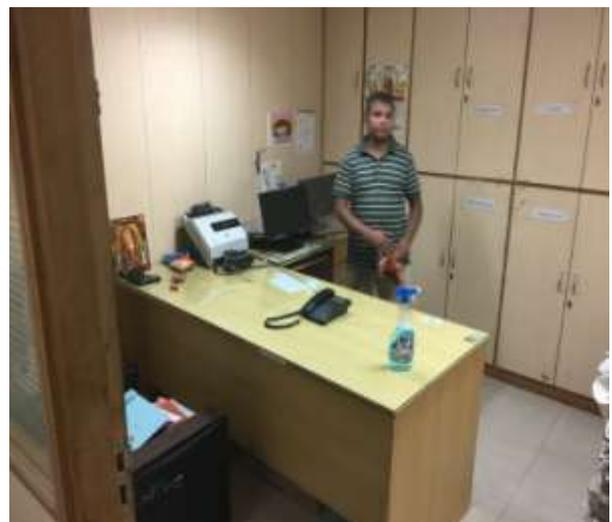

CLEANING THE OFFICE PREMISES

(07.11.2016 to 11.11.2016)

All the staffs were actively involved in the cleanliness drive. They enthusiastically took up brooms and garbage bags to clean up every nook and corner of the rooms, corridors, outside lawns, parking lot and nearby areas.

The whole drive was quite inspiring and motivating for staff. They realized that any work is best done when it is carried out by a person himself. It also made the staff aware of the dignity of labour.

PROVISION OF ENERGY EFFICIENCY LIGHTS AND PROPER GARBAGE MANAGEMENT

(15.11.2016)

Switching to energy-efficient lighting is one of the fastest ways to cut the energy bills, so we replaced our office premise's most frequently used light with LED tube lights.

To keep the sidewalks, lawns and other rooms free from garbage we utilised the garbage bins this keeps the premises clean and free from litter and debris.
